What our customers are saying:

"Nancy and I are so happy to report on another successful tour with our Sabre 40'... or should I say our FreedomLift with attached Sabre 40 !!??... Thanks for the "freedom" which the lift gives us!"

Bill and Nancy Schneider, Sabre 40

"We had a FreedomLift on our 52 Sabre and fell in love with it, so when we built our 49 Marlow there wasn't any question in our minds that we had to have the FreedomLift on this boat as well. It is so easy to use and the staff is wonderful to work with..."

Clyde and Ramona Vickers, Marlow 49

"Our total boating experience has really changed for the better after adding the FreedomLift..."

David Teater, Tiara 40 Express

"I purchased a FreedomLift for my Cruisers 45 and was very pleased with it, so five years later I purchased another one for my Horizon 70...."

Jules Tremblay, Horizon 70

Enjoy the Freedom to...

- Transport and use your tender when and where you want - with just the touch of a button!
- Operate your boat without the hindrance of bulky, cumbersome and unsightly lift parts.
- Remove the Lift Arms when not carrying your tender.
- Have more fun and work less!

The FreedomLift® system includes:

- 12 or 24 Volt Hydraulic Power Unit
- Wireless Remote Control operation with 2 waterproof transmitters and corded controller
- Marine Finish includes bead blasting and our exclusive Plascoat saltwater rated Finish
